

GUINEA PIG

Suitable species

For maintenance and breeding of Guinea Pigs and similar species

Benefits

- Fortified with a stable and readily available form of Vitamin C which will not require supplementation during the full shelf life of the diet.
- Contains high levels of fibre.

Ingredients

Wheatfeed, Barley, Grass Meal, Linseed Expeller, Oat Hulls and Bran, Dehulled Extracted Toasted Soya, Mineral Premix, Potato Protein, Wheat Gluten Meal, Toasted Soya, Maize Gluten Meal, Vitamin Premix.

(Ingredients may be subject to change due to seasonal availability)

Feeding recommendations

Ad-libitum feeding is recommended.

Although supplementary hay is not necessary, it is beneficial to provide it for breeding animals.

Additional information

This diet is based on a formulation which has proved very successful over a period of many years for both maintenance and breeding.

Calculated analysis

(Unless otherwise stated nutrients are expressed as total calculated levels)

Moisture	%	10.00
Crude Fat	%	3.34
Crude Protein	%	18.55
Crude Fibre	%	9.72
Ash	%	8.82
NFE	%	48.95
Lysine	%	0.89
Methionine	%	0.36
